On the 24<sup>th</sup> July, two days ago, my 85<sup>th</sup> birthday was formally celebrated according to the English calendar. Today I enter the 85<sup>th</sup> year of my life, according to my birth star *Rohini*. This comes to me as a reminder that it is time to declare the name of my successor and to formally nominate him. I have received the approval of my divine Master in his message to me, confirming the choice of the person chosen to succeed me.

Therefore on this auspicious day, I nominate brother Kamlesh Desaibhai Patel, to succeed me as the next representative of my Divine Master, Samarth Guru Mahatma Shri Ram Chandra ji Maharaj, and to be President of Shri Ram Chandra Mission for life. I shall continue to perform my duties as long as I am alive.

May my Divine Master shower His blessings on Kamlesh Patel, and bestow on him long life and good health to take the Mission on into the future for as long as he is blessed to do so.
